ADDENDUM 2

This Addendum 2 answers questions submitted by bidders:

1. Will recycle dumpster(s) be provided for cardboard?
YES. A cardboard bailer is available nearby (see attached).
2. Will dumpster(s) be provided for trash other than recycle cardboard?
YES. A trash compactor is available nearby (see attached).
3. Will other trades be in building during installation?
YES, there will be some contractors but we will keep it at a minimum as soon as we confirm the delivery dates.

The following don't seem to be questions but statements. We've provided responses to them as well:

8 pins/position at 3" OC. See attached sketch for more info.

All other specifications remain unchanged. Bids are due by 4pm on November 9, 2012.
