

Project Name: University of California, Merced
Central Plant/Telecommunications Reliability Upgrade
Project No.: 900310

Addendum No. 4
to the
PREQUALIFICATION LEVEL 1 DOCUMENTS
March 6, 2014

PREQUALIFICATION DUE
March 10, 2014

- I. Bidder acknowledges that it is the Bidder's responsibility to ascertain whether any Addenda have been issued and if so, to obtain copies of such Addenda. Bidder therefore agrees to be bound by all Addenda that have been issued for this bid.

This Addendum forms a part of the Prequalification Level 1 Documents and modifies the original Prequalification Level 1 Documents. The following changes, additions or deletions shall be made to the following documents as indicated and all other Prequalification Level 1 Documents shall remain the same.

II. PREQUALIFICATION LEVEL 1 DOCUMENTS

- a. NONE

III. CLARIFICATIONS

- a. Q: What is the process after Level 1 Prequalification?
A: Bidders who are Level 1 Prequalified will be invited to Level 2 Prequalification Interviews. Interviews are currently scheduled for March 20, 2014, however, invitations will have the final date and time. Those that receive Level 2 Prequalification will be eligible to participate in the Best Value Bid for the project.
- b. Q: When is the anticipated start of construction for the project?
A: The project is anticipated to start construction late 2014 (November or December).
- c. Q: What is the intent of requiring minimum years of experience for key personnel?
A: It is the intent of the University to require that the Contractor have staff that is sufficiently seasoned for this highly technical and critical project. To clarify, the University is requiring years of experience in that position, but not necessarily with the submitting company – for example, a Superintendent may have 20 years' experience being a Superintendent, but has only been with the submitting company for 5, and the minimum will have been met.
- d. Q: Has the Design Firm for this project been selected yet?
A: Yes, AEI has been selected and is actively working on the design.

- IV. DRAWINGS SHEETS
 - a. NONE
