RE: **UNIVERSITY OF CALIFORNIA, REQUEST FOR PROPOSAL # UCM1065DG**

Addendum "1" is hereby expressly incorporated and made part of the University of California, RFP# UCM1065DG dated October 11, 2013.

ADDENDUM 1

This Addendum 1 makes changes to the RFP document and its attachments. Please review the following carefully for consideration when preparing your proposal.

Change:

During the Bidders Conference, it was announced, and handouts provided, that there would be an additional building added as part of this addendum. On the map handout, this was designated as Building "A", Student Services Building (SSB). It has since been determined that this building is not a viable candidate for a solar photovoltaic system and will not be added to the buildings specified by this RFP.

Change:

The deadline for questions has been extended. The deadline is now Noon on November 4, 2013.

Change:

The due date for the RFP will now be 4pm on November 22, 2013.

NOTE: A second addendum will be issued after all questions have been received by noon on November 4, 2013 and UC Merced has answers to provide for them.

All other specifications remain unchanged.
