BID RELEASE 2: SIGNAGE**

Project No: 900120

ADDENDUM NO. 1

To the
CONTRACT DOCUMENTS

April 1, 2013

BIDS DUE

April 4, 2013

- I. Potential Bidder acknowledges that is the Bidder's responsibility to ascertain whether any Addenda have been issued and if so, to obtain copies of such Addenda. Potential Bidder therefore agrees to be bound by all Addenda that have been issued for this prequalification.

The following changes, additions, or deletions shall be made to the following documents as indicated and all other Prequalification Documents shall remain the same.

II. CHANGES TO DOCUMENTS

- i. NONE

III. CLARIFICATIONS

- i. Q: Who is responsible for the removal of existing concrete slab where the new monument sign on sheet 2.0?
A: University's General Contractor, McCarthy Building Companies, Inc. is responsible.
- ii. Q: Who is responsible for replacing the concrete slab after we set our posts for the new monument?
A: University's General Contractor, McCarthy Building Companies, Inc. is responsible.
- iii. Q: What is the voltage that the GC is pulling to site for the new monument?
A: University's General Contractor, McCarthy Building Companies, Inc. is responsible to provide for the conduit and conductor for the monument sign. The monument sign uses 227 Volt service.
- iv. Q: The notes for sign type 22B on the message schedule states: "11'17-11" landscape insert, frame for annunciation maps". Are we to provide the landscape insert with the frame or just the frame as shown on the drawing?
A: Provide the frame and installation only. University will provide the graphic.
