

**Project Name: UNIVERSITY OF CALIFORNIA, MERCED
Valley Terraces fire Alarm System Improvements**

ADDENDUM NO. 3
to the
CONTRACT DOCUMENTS
June 13, 2014

- I. Bidder acknowledges that it is the Bidder's responsibility to ascertain whether any Addenda have been issued and if so, to obtain copies of such Addenda. Bidder therefore agrees to be bound by all Addenda that have been issued for this bid.

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents. The following changes, additions, or deletions shall be made to the following documents as indicated and all other Contract Documents shall remain the same.

II. CLARIFICATIONS

A. PRE-BID CLARIFICATIONS

1. **Question:** How long does the process take to obtain the permit because I believe the project we may be subcontracting for has a 31 day time for completion?
Answer: Permit in this case is permission no actual permit is issued, just make sure they are prepared to enter and work in the vault safely. Tripod/harness, manhole barricade, air quality sniffer, forced air (if needed), manhole attendant while a man is in the confined space taking air sample readings each 15 mins and logging them on a sheet of paper.
2. **Question:** If we are performing work at multiple sites on campus, do we need multiple permits OR does one permit cover all work on campus?
Answer: See answer above.
3. **Question:** What is the cost for the confined space permit?
Answer: No cost for a permit.
4. Jobwalk Sign-in sheet attached.

III. DRAWING REVISION
